Unitarian Society of New Haven

Minutes of the June 2, 2024 Congregational Meeting
Held in person and on Zoom
Accepted by the Board on June 13, 2024
Approved by the Congregation on December 8, 2024

- 1. Call to order. USNH Board President Bobbi Pace called the meeting to order at 11:58 a.m.
- 2. **Reading and chalice lighting**. Reverend Stephen Kendrick lit the chalice and read a prayer by Percival Chubb that concluded with "A circle of friends is a blessed thing."
- 3. Opening remarks. Stating that USNH is "the most committed congregation (he) has ever worked with," Reverend Stephen expressed appreciation to the USNH staff, President Bobbi Pace and the USNH Board, and the Management Team for carefulness, dedication, and savvy. Urging congregants to take to heart Thomas Friedman's metaphor of mangrove roots from his May 27 OpEd NYTimes, Rev. Stephen stressed the need to commit to social justice in preparation for the "maelstrom that is coming," i.e., the November 2024 election. He also encouraged USNH to embrace new things, energize worship, reach out to young people, and become "community centers of the free mind and heart." Reverend Stephen also announced that the first of an annual sermon by Kathleen McTigue is planned as she begins her emerita status. He looks forward to continuing to support the internship of Sunny Joy McMillan and deepening the USNH relationship with Yale Divinity School.
- 4. Reading of the Covenant. Lisa Anderson read the complete version of the USNH covenant.
- 5. **Confirming the quorum**. USNH Board members counted 74 members present, which exceeds the required number (31, or ca.10% of total membership) to establish a quorum.
- 6. President's report. President Bobbi Pace read the President's Report. Please see attached.
- 7. **Voting instructions**. Clerk Terry Bohnhorst Blackhawk instructed USNH members in the sanctuary to vote with a show of hands and those participating remotely to put their full names in the Zoom chat (with Vice-president Sue Trotta-Smith as monitor).
- 8. **Straw vote on Article II**. President Bobbi Pace described the steps the USNH Board has taken to inform congregants and enhance discussion of proposed changes to Article II of the UUA By-laws. Bobbi Pace moved and Becky Friedkin seconded that the changes be approved via a straw vote. Board members passed the mic for comments and questions. After some discussion, the straw vote approved the UUA By-laws changes with 53 in favor (46 in sanctuary and 7 in chat) and 14 against (in the sanctuary). USNH delegates Cathy Jackson, Lurline Devos, Sarah Forman, and Becky Sandman are advised to take the vote into consideration but to follow their consciences.
- 9. **FY25 Operating Budget presentation and vote**. Explaining that the Budget Planning Task Force had taken an approach of "realistic abundance" in preparing the FY25 budget, Becky Friedkin of the Management Team shared details from the FY25 Budget Narrative. The Narrative, along with the FY25 Draft Budget summary and detail, had been disseminated via email. She also gave a shoutout to the Stewardship Team and encouraged others to volunteer to serve on it. After comments from the floor, President Bobbi Pace moved and Treasurer Tom Ward seconded that the budget be adopted. The motion passed unanimously with 59 votes in favor in the sanctuary and 9 in favor in the chat.
- 10. **FY25 Capital Budget presentation and vote**. Shirley Dion, Chair of Buildings and Grounds, presented the capital budget. Recent improvements included the following: \$4500 for the asphalt path giving egress to Mishkan Israel's parking lot, the roof's \$5145 treatment, and \$5500 for repaving the

parking lot, in addition to replacing large and small water heaters (an unexpected expense of \$5,400 after some energy incentives). The FY25 Capital Budget projects expenses of \$22,855, most notably a scheduled cost of \$14,855 to replace the kitchen and entryway roofs. Future capital projects include scheduled improvements to roofs in FY25-FY27 and HVAC replacement. USNH can apply again in August for an incentive grant for solar installation. Shirley Dion called for more volunteers for the energy group. President Bobbi Pace moved to accept the proposed FY25 Capital Budget and John Deming seconded. The motion passed unanimously.

- 11. **Nominations to elected office**. Dan Gelperin presented the Nominating Committee Slate for Election. After asking for volunteers for the office of Board Clerk and a vacancy on the Nominating Committee, he moved to approve the slate and John Deming seconded. Absent nominations from the floor, President Bobbi Pace called the question. The motion passed unanimously.
- 12. **Approval of minutes of the November 19, 2023 Congregational Meeting**. President Bobbi Pace moved and John Deming seconded approval of the minutes. The motion passed unanimously.
- 13. Presentation from the Endowment and Legacy Committee. Bob Congdon gave a Power Point presentation of milestones from USNH's financial history beginning with founding in 1951, construction of additional space in 1967, and obtaining a bank loan to create the current building in 2003. The Winchell Fund in 2011 doubled the endowment; changes in 2012 enabled the use of appreciation funds instead of interest. Recent borrowing from the endowment has enabled USNH to refinance its mortgage and saved substantially in banking fees. From \$750K in 2013, the cash value of the current endowment stands at \$1.6 million. An additional \$1.4 million in pledges makes the endowment's current value ca. \$3.1 million.
- **14.** Climate Justice Revival. Vice-president Sue Trotta-Smith reported that USNH will be one of the Connecticut hubs for the September 2024 Climate Justice Revival coordinated nationally by the UUA across the country. Congregations will receive everything they need to host a revival in their communities, including discussion guides and materials for all ages, training, worship resources, and advocacy actions designed to transform our communities through climate justice. Members of USNH are encouraged to participate fully!
- 15. **UU the Vote/Social Justice.** Lurline Devos reported for the Social Justice Ministry on much Good Trouble enacted in service of dismantling white supremacy and promoting electoral and environmental justice. Among many highlights are a six-month training in collaboration with Side with Love, working with CONECT, phone banking to Arizona, pressing for the implementation of Clean Slate laws, and reducing gun violence. Through UU the Vote, 11,000 BIPOC voters of color in Virginia, Georgia, and elsewhere have received "Reclaim Our Vote" postcards from USNH congregants. The Social Justice Ministry collaborated with the Anti-racism Task Force, Adult RE and the Humanist Association in reading and then sponsoring a panel to bring *The Other Side of Prospect* to a wider community. Food insecurity, LGBTQ projects, Green Sanctuary, and many Waverly initiatives have also contributed to a full calendar. In conclusion, the Social Justice Ministry is awed and appreciative of all that the folks at USNH are doing to create the beloved community in these challenging times.
- 16. Closing reading. President Bobbi Pace read a prayer ending "with gratitude and grace."
- 17. **Adjournment.** Bobbi Pace moved and Bob Congdon seconded a motion to adjourn which passed unanimously. The meeting adjourned at 1:55 p.m.
